2. Declarations of interest

No

3. Public Forum

No one present

4. Consider arrangements for grass cutting on the Longhope Recreation Ground, along with quotes received.

*2 quotes received the 3rd quote didn't come in - Glebe & AM Groundcare
Everyone was sent the tender packs and also available on the PC website. In the tender pack it was mentioned that all edges need strimming aswell as cutting the grass. They have to let a committee member know within 24 hours of cutting the grass so that it can be checked. If no notification of being done then it's stated in the tender pack we can withhold payment. It's also in the tender pack for the contractor to take away all grass cuttings.*

- Glebe Contractors had quoted and also accepted the terms & conditions included in the tender pack.

- AM Groundcare only sent a quote in and nothing was mentioned about agreeing to the terms & conditions.

NB & SW were both concerned that AM hadn't agreed to the terms & conditions as the previous year the grass cuttings had been left in the bottom corner even though he had been asked to remove them.

It was also agreed by everyone at the meeting that we need to look into getting a container to store the mower & also rock salt.

It's been agreed that we need to look into someone using our mower for 2024 grass cutting.

This years grass cutting is to be done once every 2 weeks.

Vote for contractors - Dave abstained from voting due to talking with AM as he was unsure if he could cut the grass & get paid because he has been elected onto the PC.

NB, SW & GN all voted for Glebe Contractors - GN to liaise when they can start.

5. Any other business (For information purposes only) No

6. Close of meeting. 6:22pm
